David Hallberg adds "published author" to his list of accomplishments this month with the release of A Body of Work: Dancing to the Edge and Back. Portrait of an Artist The focus of the exhibition is less a showcase of Warhol's body of work and more an immersive experience of the artist's essence, with Cadillac's being the theme of each work featured.

## **Body of work - definition of body of work by The Free ...**

Dance is a low-risk, low-weight bearing activity that has varying levels of intensity, appealing to a range of bodies and abilities, especially beginners. No matter where you start, dancing can be a serious full-body workout! Plus, ballroom dance improves posture, a huge problem for the modern workforce. Why does this matter?
