Corruption of Champions: Xianxia is a fan-made mod of F enoxo's Corruption of Champions. A joint project between Ormael and Liadri, it overhauls many old features of CoC and adds many more, including new characters and even a 3-day tutorial in Ingham. The Xianxia mod works closely with Kitteh's UEE Mod, and many features can be found in both games.

If the player has a corrupted cock while initiating the orgy scene, Scylla will continue to then suck the demonic cock until 'absorbing' its corruption and reverting it back to a regular non-corrupted human prick. She will not remove the demon Exgartuan from your possessed cock if your member is possessed. If the player has four cocks, Abby will stuff two in her ass and two in her pussy, double double-penetrating herself.

To have her corruption increase the Champion has to have high corruption (~80-100), then they must select the Fight option and upon beating her use one of the options presented to the Champion, each time one of these are use Aiko's corruption will increase ~10. As far as I can tell the corruption will only affect text when you meet her and her demeanor during the first scene of the Yamata quest.
