Democracy in California: Politics and Government in the ...

Political scientists on both sides of the border say the current U.S. crisis of trust is partly the consequence of a system that permits partisanship to run wild in the name of unfettered democracy.

Is American democracy suffering from an overload of politics?

Today, California is widely understood to be a solidly Democratic state. All statewide elected officials are Democrats, including both United States senators and the governor. No Republican has been elected statewide since 2006.

Democracy in California: Politics and Government in the Golden State is a readable and thought-provoking textbook, which clearly explains the politics and character of California's governmental institutions and the dynamics affecting the lives of Californians.

Democracy in California: Politics and Government in the ...

Direct democracy is the term we in government use to describe the ability of the voters to take matters into their own hands. In other words, it is the ability of the voters to enact or repeal laws, or recall elected officials. California is one of two dozen states that gives voters these checks on elected officials.

Direct Democracy in California: History and Functions ...

California has a representative democracy, too. Californians vote for their governor, senators, and representatives. These elected officials create, uphold, and interpret California laws. In our democracy, people agree to follow the laws, even if the person they vote for doesn't win the election.

California's Direct Democracy - eduplace.com

Janiskee and Masugi in turn seek to rescue California politics (but not many of its leading politicians) from the academic dead end to which years of pseudo-scientific approaches have relegated it. "Democracy in California" makes the study of California government and politics a much more serious and rewarding enterprise than it has been for many years and will be, if this book is widely adopted, for many more.
