Duties Beyond Borders: On the Limits and Possibilities of ...

This chapter examines the concept of duties beyond borders and its implications for the practice of foreign policy. More specifically, it considers why states proclaim duties to those beyond their borders as well as the apparent expansion of those duties over the last two decades. After explaining what is meant by duties beyond borders and how it relates to the concepts of sovereignty and cosmopolitanism, the chapter explores how realist, liberal, constructivist, and decision-making theories ...
