Psychiatric and Mental Health Nursing has established itself as Australia and New Zealand's foremost mental health nursing text and is an essential resource for all undergraduate nursing students.

Psychiatric & Mental Health Nursing - 4th Edition

Psychiatric and Mental Health nursing deals with the care of patients who have emotional and mental health concerns such as depression, anxiety, addiction, and mood disorders. Nurses care for individuals, families, groups, and communities through counseling, education, and, in some cases, medication to promote mental and emotional health. Nurses may work in counseling centers, clinics, or hospitals, as well as doing home visits or working in long-term residential facilities.
