Femme Mystique

The Feminine Mystique was one of many catalysts for the second-wave feminist movement (1960s-80s). By the end of the 1980s, however, its flaws had been clearly identified. Its arguments, broadly speaking, were less relevant, because twice as many women were in the workforce as had been during the 1950s.

The Feminine Mystique - Wikipedia

A fascinating and insightful look at the world of femme identity within the lesbian community. Written by femmes, former femmes, future femmes, femme wanna-bes, femme admirers, and of course, femmes fatales, The Femme Mystique explores what it means to be a femme and a lesbian in a society that often trivializes the feminine.
