ManyBooks is another free eBook website that scours the Internet to find the greatest and latest in free Kindle books. Currently, there are over 50,000 free eBooks here.

Fike Cheetah Xi Panel Installation

The Cheetah® Xi intelligent fire suppression control system is the ideal choice for your next installation of fire alarm, clean agent fire suppression, carbon dioxide suppression, watermist and/or sprinkler/pre-action sprinkler systems. The Cheetah Xi is the only fire suppression panel to offer true peer-to-peer technology. That means every fire protection module and sensor can act as a peer, able to communicate directly with the detection control panel...and with each other.
