This book tells the story of humankind as producers and reproducers from the Paleolithic to the present. Renowned social and cultural historian Merry Wiesner-Hanks brings a new perspective to world history by examining social and cultural developments across the globe, including families and kin groups, social and gender hierarchies, sexuality, race and ethnicity, labor, r

A Concise History of the World by Merry E. Wiesner-Hanks

A single-colume history of the modern world is bound to be concise, and when it takes the modern world's start as 1500 it makes it even trickier to avoid just skating over the surface. The huge value of this book is that it looks at history at the global level, whereas we are accustomed to considering say European or English or American history ...
