In the ancient Greek world, religion was personal, direct, and present in all areas of life. With formal rituals which included animal sacrifices and libations, myths to explain the origins of mankind and give the gods a human face, temples which dominated the urban landscape, city festivals and national sporting and artistic competitions, religion was never far from the mind of an ancient Greek.

Ancient Greek religion encompasses the collection of beliefs, rituals, and mythology originating in ancient Greece in the form of both popular public religion and cult practices. These groups varied enough for it to be possible to speak of Greek religions or "cults" in the plural, though most of them shared similarities.

Ancient Greek religion - Wikipedia

It can be viewed as both the cradle of many aspects of Greek civilization and as a challenge to the dominant image of ancient Greece as moderate, rational, and democratic. Religion and Society in Ancient Thessaly explores the issues of regionalism in ancient Greek religion and the relationship between religion and

society, as well as the problem of thinking about these matters through particular bodies of evidence.

greek religion and society | Book Library

The ancient Greeks had a strong cultural influence on the Roman Empire, though the Romans did manage to take this influence and make it into something all their own. Greek influence on Roman culture is clear in areas such as religion, art and architecture, literature and philosophy.

How Did the Ancient Greeks Influence the Romans?

Greece is widely considered to be the cradle of Western culture and democracy. Modern democracies owe a debt to Greek beliefs in government by the people, trial by jury, and equality under the law. The ancient Greeks pioneered in many fields that rely on systematic thought, including biology, geometry, history, philosophy, and physics.

Culture of Greece - Wikipedia

When you look back on history there were many defining religions, beliefs and values among different cultures and societies. The beliefs varied from believing in one single God to multiple gods, from being patriarchal to matriarchal. When discussing difference you can see numerous among the Ancient Hebrew culture and the Archaic Greeks.
