Ilo And Disability Inclusion

ILO and disability inclusion. The ILO promotes equality of opportunity and treatment for persons with disabilities in the world of work. Access of persons with disabilities to decent work is important both as an essential right and in terms of the economic advantages it brings. To achieve this goal, the ILO works to increase the employability of persons with disabilities, to support employers becoming more inclusive and to promote enabling legislative and policy environments.

ILO and disability inclusion

Facilitated by the ILO Global Business and Disability Network, all interested stakeholders, including governments, workers' and employers' organisations as well as organisations of persons with disabilities participated in a webinar to share good practices on the inclusion of people with disabilities in the COVID-19

responses related to the World of Work.

Webinar: Disability Inclusion in COVID-19 responses in the ...

The only way for the ILO to achieve disability inclusion in our work and the workplace is for staff to work together. Disability inclusion is everybody's work. Disabled people represent the largest minority group in the world, composing 15 per cent of the population. Disability is a cross-cutting dimension of every issue and target group.
