Lonely Planet Diving And Snorkeling

Welcome to the branch that covers one of the most fascinating sports: scuba diving and – to a lesser extent – snorkeling. For those who always wondered what scuba diving actually stands for, it is the term used to describe the use of a “Self Contained Underwater Breathing Apparatus” to stay underwater for periods of time greater than the average individual can breath-hold.

These credentials feed Ningaloo's popularity as a snorkeling and diving spot, along with its reputation for being one of the best places in the world to swim alongside whale sharks – the biggest fish in the sea. These gentle giants congregate in record numbers off the coast of Exmouth from April to July. This season tag-teams the humpback whale migration along the coast of Western Australia from July to October, when visitors can opt to jump in with the monstrous mammals.

Lonely Planet Writer 21 September 2015 Fiji is known for its beautiful palm-fringed islands, but some of its most spectacular scenery is found below the waves. Its warm, clear waters offer year-round diving and snorkelling in what's often referred to as the soft-coral capital of the world.

Diving and snorkelling in Fiji - Lonely Planet

A small island with a desert landscape, Bonaire is not for everyone – but it is for divers and snorkelers who want to immerse themselves in that vibrant world under the sea. The beauty of Bonaire is that the coral reef, designated a national park, is just a few feet from the shoreline. Dozens of exceptional dive sites are easily accessible from the shore and teeming with life, making this island an independent diver's (and snorkeler's) paradise.
