Your motorcycle MOT - a complete guide. The motorcycle MOT test is an annual check for motorcycles over 3 years old. Passing your MOT means your motorcycle meets the required legal standards for road use, however, it doesn't necessarily mean that your motorbike is in good condition. The certificate you receive will show that your bike is legal to ride on the road for the next 12 months, as well as provide details of any advisories that may need consideration before your next MOT due date.
