The Australian Greens And The

The Greens acknowledge the Traditional Owners of country throughout Australia and recognise their continuing connection to land, waters and culture. We acknowledge that these lands were stolen and sovereignty was never ceded.

Homepage | Australian Greens

The Australian Greens, commonly known as The Greens, are a confederation of Green state political parties in Australia. As of the 2019 federal election, the Greens are currently the third largest political party in Australia by vote. The leader of the party is Adam Bandt, and the party's co-deputy leaders are Larissa Waters and Nick McKim.

Australian Greens - Wikipedia

The Australian Greens are flogging a new range optimistically titled 'legends' featuring - uh - themselves. For a smidge under \$25.00 you can dry your plates with Bob Brown's face and the passive-aggressive observation, 'The future will either be green or not at all.' Frankly, if ...

Australian Greens - YouTube

The Australian Greens formed as a national confederation of the state parties in 1992. They were a party in name only. The only two sections which had life in them at that point were the Tasmanians and the Western Australians. Initially it was only Tasmania, Queensland and NSW in the confederation, with other sections joining in the following years.
