The Establishment And How They

The Establishment: And How They Get Away With It is a non-fiction book published in 2014 by the British writer and political commentator Owen Jones. In it, Jones describes relationships between different groups which he believes form the British Establishment. He explains the links between these groups and their purported common interest in promoting right-wing ideals, while often claiming to serve the public.

The Establishment: And How They Get Away with It - Wikipedia

Hopefully by Jones shining a light on the murky Establishment it will lead to the people challenging The Establishment for the political change they want. The Establishment is an excellent and informative book about how society has come to operate today for the minority and how it can be changed to operate for the majority.
