## **The Gardens of Democracy: A New American Story of ...**

The Gardens of Democracy provides a refreshing new conceptual approach to understanding our economic and political situation, and it will help us move past the fossilized ideas in today's public debates."— Francis Fukuyama, author of The Origins of Political Order "Society is a garden.

## **The Gardens of Democracy: A New American Story of ...**

Gardens of democracy is a great evaluation of what's currently wrong with the concept of American citizenship on both the left and right. They point out that our political system is based on Enlightenment scientific ideals like linearity and predictability, but we science now tells us that our highly networked, independent, and non-linear society can't be described by those old assumptions and theories.
