The Pleasures Of The Imagination

The Pleasures of the Imagination is a long didactic poem by Mark Akenside, first published in 1744. The first book defines the powers of imagination and discusses the various kinds of pleasure to be derived from the perception of beauty; the second distinguishes works of imagination from philosophy; the third describes the pleasure to be found in the study of man, the sources of ridicule, the operations of the mind, in producing works of imagination, and the influence of imagination on morals.

The Pleasures of the Imagination - Wikipedia

Brewer's The Pleasures of the Imagination serves as a stern, contemporary refutation of many mushy headed ideas about the development of Art in Modern society. Brewer's method is to survey 18th century developments in the Arts, in England and tie them to pre-existing and developing institutions in order to demonstrate what came before the explosion in Artistic activity during the 18th century.

Besides, the pleasures of the imagination have this advantage above those of the understanding, that they are more obvious, and more easy to be acquired. It is but opening the eye, and the scene enters. The colours paint themselves on the fancy, with very little attention of thought or application of mind in the beholder.

Joseph Addison on the Pleasures of Imagination

Let rich imagination soar up to different heights
And warm the mind with a flood of beautiful sights
Where pretty Butterflies swarm in dazzling
display
And colourful stars twinkle to show the right way.
A cascading fountain overflows the waiting cup
With everlasting delights to continuously
sup
Air so cool and clear it nurtures to bring peace
