Things I Wish You Knew

These are things I wish I knew sooner and that most people don't ever figure out. Last month, my friends and I were hanging out and someone had brought his little cousin, an upcoming high school freshman. His cousin reminded me a lot of myself when I was his age just six years ago. Still trying to figure out life, socially awkward ...

5 Key Things I Wish I Knew Before I Became a Manager 1) Don't aim to be liked. Aim to be transformational. The first inclination of many managers is to make sure their team likes them. It makes sense -- you catch more bees with honey than vinegar, and you must be doing something right if people like you. But managers who focus too much on being liked miss the bigger picture.

5 Key Things I Wish I Knew Before I Became a Manager

So he asks you, "Can you build it for 10 hours? We really need this feature in the next product release!" And you know that you can if you cut the corners (no tests, messy code) but then you will need to refactor it, and it will take an additional 30 hours. Because other engineers will work with your messy code when you release it.

6 Essential Things I Wish I Knew When I Started Programming
