"Welcome to the World" is a song by American recording artist Kevin Rudolf, released as the second single from his debut album *In the City*. The single version features vocals from American rapper Kid Cudi, whereas the album version features a verse from rapper Rick Ross. The chorus takes the melody from the 1994 Oasis single "Supersonic". The song was featured in advertisements for *WrestleMania XXVI*.

Welcome to your world is an intriguing book which explores how the environment we build around us affects us, as well as how we navigate that reality. What I find really fascinating is how the author integrates cognitive and bodily experiences into the book so that we're not just looking at the environment, but also our own place in space.
