What Horses Teach Us 2018 Engagement Calendar - Horse.com

Horses teach us that there are no shortcuts to success. The saying, “You can lead a horse to water, but you can’t make him drink” is absolutely true. A horse will not be rushed, forced, or told to do something it does not want to do. In order to be a good rider, we have to be patient and invest time and dedication in the process.

6 Skills we can Learn from Horses that Make us Better at ...

Horses teach us confidence. They are herd animals, and every herd has a leader. If you don’t provide the leadership, your horse will. I am sure every one of us can recall a moment when a typically kind lesson horse dragged some poor, unsuspecting kid to the grass for the millionth time until the kid finally realized enough is enough.

Sometimes it seems that the biggest lessons horses teach ...

It probably includes getting your horse from the field, grooming them, tacking them up, learning something new under saddle, cleaning a stall, refilling water buckets, moving hay bales, feeding grain, and double checking fences...just to name a few!

their power, and the way they light us up inside have the same effect as a cosmic star in the night sky. For centuries we have used the horse for our own needs and now humanity is learning more about their spiritual gifts.

Equine Coaching: What Horses Can Teach Us About Personal ...

They also understand authenticity--it is uncomfortable for a horse to encounter a human who is not being genuine because it is difficult for a horse to gauge how safe that person is to be around. Horses teach us that it is healthy to always be who we truly are. 2. Be Present Horses aren't very concerned about the past or the future.

5 Things Horses Can Teach Us - Equine Connection Counseling

From these horses I learned that it is ok to not get on sometimes. There are moments where the best thing I can do is let a different rider step in. I believe that a horse's ability to teach us about ourselves is among the reasons they remain so relevant to so many of us.

What Horses Teach Us About Ourselves - Horse Network

With horses, no matter how much you know, or how often you have ridden every now and again you still take the plunge. To be driven - Talent only takes you so far. To learn how to ride a horse, and I mean really ride a horse, it takes hours and hours, and years and years. I am still learning everyday.

10 Life Lessons I Have Learned From Horses — Freedom Woods

What Horses Teach Us Planner - Calendars.com

Madorno: The horses are reading what you're doing, they can smell your emotions. They have amazing emotional intelligence. They read all of the signals, and the thing they rely on the least is the verbal communication. Horses can learn to understand what your saying, but what they're really paying attention to is what you're not saying.
