"If you can read and have more imagination than a doorknob, what need do you have for a 'movie version' of a novel?" "That we can prescribe the terms of our own success, that we can live outside or in ignorance of the Great Economy are the greatest errors. They condemn us to a life without a ...

### **What Matters? Quotes by Wendell Berry - Goodreads**

What Matters To Us. We often talk about 'changing economics for the benefit of society', in fact, it is central to our charitable purpose. This page is dedicated to explaining what we think will be 'better' as a result of changing economics. This is because as an international network we know that economics, both as practiced in society and taught in the classroom, has the power to contribute positively to society.

### **Rethinking Economics - What Matters To Us**

Over the years, Wendell Berry has sought to understand and confront the financial structure of modern society and the impact of developing late capitalism on American culture. There is perhaps no more demanding or important critique available to contemporary citizens than Berry's writings -- just as there is no vocabulary more given to obfuscation than that of economics as practiced by ...
